ABOUT THE FOOD

Each month's menu is different and has fresh, frozen, and packaged food. Angel Food is purchased from the nation's top food suppliers. Providing quality, nutritious food at significant discounts on a regular basis can give people a "hand up" during difficult times. The cost for a "Regular Unit" of Angel Food is \$30. There is no purchase limit for boxes of Angel Food. There are no applications or qualifications necessary.

ABOUT THE VALUE

Comparison shopping nationwide in various grocery stores has revealed that the average retail value for the same food items would be approximately \$65. Generally, one "Regular Unit" of Angel Food assists in feeding a family of four for about one week or a single senior citizen for almost a month.

ABOUT SPECIALITY BOXES

Each month, Angel Food Ministries offers "specialty boxes" of steak, chicken, pork or other foods. This affords additional food choices at a great value. There is no purchase limit for specialty boxes or bonus foods, and there are no applications or qualifications necessary.

FOOD STAMP PROGRAM

To better help families in need, Angel Food Ministries participates in the Food Stamp (EBT) Program. This program is designed to help low-income families buy the food they need for good nutrition. Each month, by processing the most offline Food Stamp vouchers in the country, Angel Food is helping feed approximately 100,000 people in the United States.

* * * * *

Angel Food Ministries is a non-profit, non-denominational organization dedicated to providing grocery relief and financial support to communities throughout the United States. The program began in 1994 and has grown to serve hundreds of thousands of families every month across 35 states.

Angel Food is available in a quantity that can fit into a medium-sized box at \$30 per unit. Each month's menu is different than the previous month and consists of both fresh and frozen items with an average retail value of approximately \$60. Comparison shopping across the country in various communities using a wide range of retail grocery stores has shown the same food items costing from between \$42 and \$78.

Generally, one unit of food assists in feeding a family of four for about one week or a single senior citizen for almost a month. The food is all the same high quality available at grocery stores. There are no second-hand items, no damaged or out-dated goods, no dented cans without labels, no day-old breads and no produce that is almost too ripe.

Also offered are specialty boxes such as steaks, chicken and pork. Many participants in this bonus program appreciate the expanded choices. Additionally, there is no limit to the number of units or bonus foods an individual can receive, and there are no applications to complete or qualifications to which participants must adhere. Angel Food Ministries also participates in the U.S. Food Stamp program, using the Off-Line Food Stamp Voucher system.

By buying food from first rate suppliers at substantial volume discounts, Angel Food Ministries is able to provide families with approximately \$60 worth of quality nutritious food for \$30. Angel Food Ministries does not use out-of-date food or inferior products.
